

Chromebook Repair/Replacement Costs - 20-21 SY

Unless deemed otherwise by school administration, repairs will be addressed as follows:

- **First Repair** - The Information Services Department will repair. No cost to parents.
- **Second Repair** - Parents will be billed by the Information Services Department after repairing the device. Below is a chart of the maximum cost that could be invoiced per part.
- **Third Repair** - Parents will be billed for a new Chromebook purchase.

Chromebook Part	Maximum Cost Per Part
Battery	\$70.00
Broken/Scratched Screen	\$215.00
Case (includes keyboard & trackpad)	\$70.00
Charging port	\$30.00
Motherboard (requires new Chromebook)	\$444.00
USB internal board	\$15.00

Unless deemed otherwise by school administration, if a Chromebook or one of its accessories is lost, stolen, or completely irreparable, the parent/guardian is responsible for the cost. The chart below reflects the maximum cost that could be invoiced per part. At their option, Parents/Guardians can purchase an insurance policy to cover **certain costs** that parents/guardians may need to pay. Visit the following URL for more information: <https://securranty.com/BASD-insurance>.

Replacement Chromebook and Accessory Costs	Maximum Cost Per Part
Carrying Bag	\$22.00
Charger - A/C Adapter	\$48.00
Chromebook	\$444.00
Mobile Hotspot (if qualified and issued)	\$84.00
Sleeve	\$12.00
Stylus	\$23.00
