

Helper Helper Overview

We are utilizing a system called “Helper Helper”
to record volunteer hours.

Visit app.helperhelper.com

login using your BASD credentials

Web

- In Helper Helper you'll find a list of available opportunities as well as the list of approved sites.
- When you log hours, if your site is not on the drop down menu, it is not an approved site and you will need to submit a Request to Volunteer.
- All hours will be logged and verified through Helper Helper except club/sports credits and job shadowing- these hours are input by the community service office.

For more information about using Helper Helper please contact the
Community Service Coordinator.
